Dear Mr. Short:

Congratulations! On behalf of the U.S. Department of Veterans Affairs (VA), Center for Veterans Enterprise (CVE), upon review of your Request for Reconsideration dated September 12, 2011, I am writing to inform you that your service-disabled Veteran-owned small business (SDVOSB), SYTE Corp., has been verified and added to the verified service-disabled Veteran business database at www.VetBiz.gov. Your business will be eligible to participate in Veterans First Contracting Program opportunities with VA. This verification is valid for up to one year from the date of this letter.

CVE initially denied your business verified status by decision dated September 6, 2011. While satisfied that you are a service-disabled Veteran, CVE initially denied your verification for the VetBiz VIP database because your company did not appear to meet the service-disabled Veteran control requirement due to the perceived presence of a non-Veteran director and provisions for voting of directors allowing each director to receive one equal vote.

In your Request for Reconsideration, you stated the non-Veteran acting director does not exert any control over SYTE Corp. You also provided Stock Certificates and the most recent K-1 Statements, which confirm that you, the service-disabled Veteran, owns 100% of the Voting stock of SYTE Corp. Furthermore, your company Bylaws outlined the fact that you, as the 100% shareholder, may constitute a quorum and appoint or remove directors as you please, giving you ultimate control of SYTE Corp. As such, CVE grants your Request for Reconsideration.

Our goal is to establish a strong Veterans' movement by branding your status as a verified service-disabled Veteran-owned small business. You may use the following logo link to download the logo for use on your marketing materials and business cards: http://www.vetbiz.gov/cve_completed_s.jpg.
